WESTERN CANADA
GHANAIAN ADVENTISTS

WELCOME MESSAGE

Dear Beloved in Christ,

Once again, we give God thanks for keeping watch over us for another year and for gathering us here at this time. I take this opportunity to welcome you all to our **10th Annual Western Canada Ghanaian Seventh-day Adventists Camp Meeting** on the Campus of Burman University. We give Him thanks for how far He has led us and also looks forward to His leading and guidance in the years to come.

This year's camp meeting is an opportunity to fellowship, renewing acquaintances, and being equipped to recommit to the Lord's work as we do our part individually and collectively in His vineyard while waiting for His second coming. Our theme, **"United in Purpose - Rooted to Grow"** is a call to be united in the Lord so that we can grow in Him and be effective co-labourers with Him. We are blessed to have PS. Dr. Robert Osei-Bonsu, Vice President, General Conference of the Seventh-day Adventist Church, as our Guest Speaker. Through the various components of the program, we will explore what it means to be United in Purpose and Rooted in Christ.

To all our attendees, both repeat and first-time, we are glad that you are here. To our pioneers, a big thank you for your leadership and continuous support. Together, United in Purpose - Rooted to Grow, let us put into practice what we will get at this camp meeting so that we can reach our communities with the message we have been called to share, in order to hasten His return.

Welcome to all! Akwaaba!

Prior to that, he held leadership positions in both church and academic settings, including vice president at Valley View University in Ghana and dean of the theological seminary at Adventist University of Africa.

Ordained in 1998, Osei-Bonsu has served in pastoral ministry in Africa and Europe, including time as a senior pastor in the South England Conference. He is widely recognized for his mentorship, community engagement, and scholarly contributions in theological education.

Fruitful Trees, the Spirit's Sowing

1

Fruitful trees, the Spirit's sowing,
May we ripen and increase,
Fruit to life eternal growing,
Rich in love and joy and peace.

2

Laden branches freely bearing
Gifts the Giver loves to bless;
Here is fruit that grows by sharing,
Patience, kindness, gentleness.

3

Rooted deep in Christ, our Master,
Christ, our pattern and our goal,
Teach us, as the years fly faster,
Goodness, faith, and self control.

4

Fruitful trees, the Spirit's tending,
May we grow till harvests cease;
Till we taste, in life unending,
Heaven's love and joy and peace.
